SMART EDUCATION EXPO

Smart ED Expo is an educational brand designed by Digital Education Institute of Institute for Information Industry (III), it attracts over 200 oversea delegates from 21 countries and with a total of 5,770 visitors.

SHE TAIPEI

2019 SHE brings together over 100 medical professionals from Southeast-Asia, and also attracts over 85% of Taiwan hospitals and nearly 12,000 visitors from Taiwan and global buyers in healthcare industry.

IBE Taipei

The 2nd Intelligent Building Expo has provided the opportunity to get in contact with local and international buyers, giving them a more in-depth understanding on the concept and solutions in building industry.

iTS Expo

The debut of ITS Expo came with the Transportation Policy Pavilion with 8 companies to showcase the latest smart transportation solutions in logistics, bus stations, and vehicles.

SCSE has become the world's largest hub of experience-sharing and solutions platform for the Smart City industry. The scale this year has hit its record high in terms of the number of exhibitors, booths, and overseas city delegations, buyers and visitors.
