Taiwan is globally recognized for its technological innovations as well as superior quality products and services. As a leading supplier in the global market, Taiwanese enterprises utilize their extensive experience, expertise, and know-how to meet every customer's needs.

Based on several economic assessment reports released by major international institutions, Taiwan has continued to stand out in global rankings. For examples, the nation is ranked 15th among 140 countries in a global competitiveness report for 2015-2016 by the WEF. It is also ranked 8th among 130 countries in the recent Global Entrepreneurship and Development Index, 5rd in overall investment environment by BERI, 11th in global competitiveness in the IMD World Competitiveness Yearbook, and 11th most improved economy for ease of doing business by the World Bank.

In order to satisfy buyers' sourcing requirements, the Taiwanese delegation will host a trade meeting session, and present a broad range of high-quality, competitively priced products, which include **electronic components, hardware and hand tools, auto parts, ICT products, industrial machinery, textiles, cycles and related accessories, other sporting goods, industrial molds, plastic injection parts, small appliances**

and more.

We encourage all local guests to make an online appointment with the Taiwanese delegates. Please log onto
