

## **Vacancy of Academic Post at National Chengchi University, TAIWAN**

The Department of Land Economics at National Chengchi University is seeking a full-time faculty member for the field of Photogrammetry and Remote Sensing. This post is open for assistant professor, associate professor or full professor. The applicant must hold a PhD degree.

Courses expected to teach include “Aerial Photogrammetry and Lab”, “Remote Sensing”, “Computer Assisted Drawing”, and “Image Processing”. Applicants are required to teach some of the above-mentioned courses in English.

The applicant is required to submit the documents as follows:

1. Curriculum vitae and a list of previous academic publications (three copies)
2. Doctoral dissertation (three copies)
3. Major academic publications (three copies)
4. Photocopy of PhD degree certificate
5. Both of PhD and Master Degree academic transcripts
6. Two reference letters
7. Photocopy of teacher’s certificate issued by the Ministry of Education, R.O.C, if available.

The shortlisted applicants will be informed in due time for an interview. Applicants who come for the interview shall submit in advance the presentation materials and teaching plan.

For applicants who hold a degree from overseas, the degree certificates need to be verified by ROC’s embassies and missions overseas in accordance with the resolution of the University’s committee for teacher evaluation.

The appointment is expected to begin on 1st August of 2016 or 1st February of 2017. All application materials must arrive at the following address no later than 5 p.m. of 6th May of 2016.

Committee for Teacher Evaluation  
Department of Land Economics  
No. 64, Sec. 2, ZhiNan Rd.  
Wenshan District, Taipei City 11605  
Taiwan R.O.C.
