Smart City Summit & Expo

A professional hybrid fair for smart cities

Online : January - June, 2021

Offline : March 23-26, 2021 in Taipei

2021 SCSE⁺ combines online and offline event

To break the wall of interaction and borders, SCSE will take place as a HYBRID event in physical & virtual form, creating brand new possibilities for international audiences.

Smart City Online, our O2O version, will carry on the missions by assembling proven innovations and global decision-makers online. Together we are empowered with no limits in time or space.

Overview of Smart City Online

Mayors' Summit

The Smart City Mayors' Summit has always been the highlight of SCSE and the largest global platform for smart cities' networking. The number of overseas delegations and city leaders escalated every year and hit the record in 2019 with 128 city leaders visiting Taiwan for the SCSE.

2020 edition was conducted online in 3 livestream sessions involving 20 city leaders from 17 countries. 4000+ audiences joined the sessions focusing on the hot topics of smart city development under COVID-19.

CTalk

CTalk provides an open floor and networking opportunities for both city and industry leaders to share smart city projects in depth. In 2020's online edition, 20 key influencers from public and private sectors joined from across 12 countries.

Gov x Biz Webinar & Matchmaking

2021 SCSE⁺ will stay connected without boundaries with our overseas partners. Taipei, Taoyuan, and Kaohsiung City will share their smart city roadmap & collaboration opportunities. City leaders or associations are welcome to bring businesses to this bilateral webinar for exploring partnership together.

Global Hub

An international area in 2021 SCSE that features solution displays, video broadcast, and networking lounge. International participants will be able to take part and interact with visitors remotely.
