BRAND

- 1 上山採藥 TSAIO

COMPANY PROFILE

'TSAIO' in its original language means 'finding herbs and natural spirits in the mountain.' The spirit is from a famous poem:

Beneath the pine I asked the boy,
He said master's out collecting herbs.
Just somewhere in this mountain here,
But deep clouds set me wondering where.
--Jia Dao Seeking out Hermit without success

For this short poem, there is always a special feeling touched and, like just close your eyes, you enter into a lush forest, one's mind full of the fragrance of plants and energy. TSAIO focused on the "plant regeneration ability" and hoped to give herbal skin care products more profound significance values.
