

The names of notaries public are listed in regional and alphabetical order. This office assumes no responsibility for the professional ability or integrity of the persons or firms appearing on this list.

For Academic Records and related documents, the notarial certificate should state the record has been verified with the issuing institution. A statement by a Notary that the document is a 'true copy' does not satisfy the verification requirement.

Notaries Public in Queensland and Northern Territory

| Location | Name | Address | Tel/Fax/Email |
