設部目的 School Purposes

為服務中部科學園區事業單位、投資廠商、政府機關、學術研究機構及歸國學人子女就學需求，國立中科實驗高級中學於99學年度(2010)年成立，並於2018年成立雙語部。另為配合海外人才延攬與行政院留才的國家政策，國立中科實驗高級中學雙語部源自於美國的K-12教育，提供中部科學工業園區外派員工以及學術研究機構歸國學人子女符合國際水準之教育資源，以培養語言雙文化之未來人才。我們衷心期望雙語部的成立能促進老師的專業知識發展，並為臺灣的教育帶來更好的品質。

In order to serve children whose parents is a foreign and overseas scholar, or work in private enterprises, research institutions, or government agencies in the Central Taiwan Science Park, NEHS@CTSP was established in 2010. In 2018, the bilingual department The bilingual department was established.

The department is named International Bilingual School at Central Taiwan Science Park abbreviated as "IBSC." Originated as a public K-12 school in the United States, IBSC serves the children of faculty members returning from overseas to work in the Central Taiwan Science Park and neighboring universities. We sincerely expect that the establishment of our school is able to advance teachers' professional knowledge and better the quality of education in Taiwan.
