

ATLife 2019 Assistive Technology for Life

July 25 ▶ 28 Taipei Nangang Exhibition Center

Organizer The Research Center on ICF and Assistive Technology, National Yang-Ming University (RICFAT)
Chan Chao Int'l Co., Ltd.

The best exhibition in Chinese communities to focus on 'Assistive Technology' and 'Long-term Care'

Why ATLife ?

- **Access** to world-class ODM/OEMs and an extensive B2B marketplace for int'l brands in finding qualified partners
- **Explore** the potential "Chinese user-experience" from the feedback of Taiwan's well trained Assistive Technology Professionals
- **Discover** enormous market potentials, in particular the 'Long-Term Care 2.0 Policy' was launched in 2018, with a comprehensive subsidy program for assistive device purchase
