

Whereabouts

Renown for its internationalized environment and achievements in teaching excellence, National Chengchi University's downtown campus, Center for Public and Business Administration, lies in close proximity to the finance sector in capital city, Taipei. With our prime locale and academic prestige, NCCU leverages our connections across industrial, governmental and academic sectors, to construct a communal platform for talent cultivation in progressive learning and innovation.

About Us

In line with the protocols of National Key Fields Industry-University Cooperation and Skilled Personnel Training, the establishment of College of Global Banking and Finance of National Chengchi University (hereafter CGBF NCCU) aims to bring forth innovative pedagogical models to cultivate frontier talents in the fields of global banking and finance. Our goal is to heighten both academic and pragmatic strength in fields of relevance and to steer Taiwan's international stance as the forerunner and center for finance and asset management in Asia.
