For Citizens of Italy, San Marino, Albania, North Macedonia and Malta

Taipei Representative Office in Italy

Date: January 31, 2026

- I. The Ministry of Education (abbreviated below to “MOE”) Taiwan, R.O.C. has formulated the Taiwan Scholarship Program Directions (also known as the “Taiwan Scholarship Program Guidelines”) to encourage outstanding students from Italy, San Marino, Albania, North Macedonia and Malta to undertake degree studies in Taiwan to familiarize themselves with the academic environment in Taiwan and promote understanding between Taiwan and the above related countries.
- II. The MOE Taiwan Scholarship Program provides the following for each outstanding scholarship recipient from Italy, San Marino, Albania, North Macedonia and Malta who comes to Taiwan to undertake a bachelor’s degree, master’s degree, or doctorate:
 - (i) Tuition and miscellaneous expenses (i.e. the course-credit fees, and miscellaneous basic study-related fees): The MOE will pay up to NTD 40,000 each semester for each recipient’s approved tuition and miscellaneous expenses. If these exceed a total amount of NTD 40,000, the remaining amount must be paid to the university/college by the student. The “miscellaneous expenses” do not include any of the following: administration fees, thesis supervision fees, insurance premiums, accommodation, or internet access. These are all the responsibility of the scholarship recipient.
 - (ii) Living allowance: The MOE provides each recipient undertaking university undergraduate studies a monthly stipend of NTD 15,000 ; it provides each recipient undertaking a master’s degree or doctorate studies a monthly stipend of NTD 20,000.

*Some universities/colleges offer Taiwan Scholarship recipients a discount for tuition and/or miscellaneous expenses. For more details, please refer to the attached list.

III. Scholarship Duration and Time Limits:

- (i) The maximum period a Taiwan Scholarship may be held is: four years for undergraduate programs, two years for master’s degree programs, and four years for doctorate programs. The maximum total period that any one person may hold a Taiwan Scholarship is five years.
- (ii) The Taiwan Scholarship year begins on September 1 and ends on August 31 of the following year. Recipients must arrive in Taiwan and register at their university/college at the scheduled time. It is not permitted to defer taking up a Taiwan Scholarship until the following year. A student who is unable to arrive in Taiwan and register at their university/college at the scheduled time will be considered to have forfeited their scholarship eligibility, unless the student has notified the university/college and the MOE beforehand and been given permission for a delayed arrival and registration.
- (iii) Living allowance payments begin from the month when the recipient actually begins attending the

university/college, and they end when the maximum scholarship period for their degree level expires, or when the recipient graduates, withdraws from their studies, is suspended or expelled, or has their Taiwan Scholarship revoked. However, for undergraduate recipients enrolling from the 2026 academic year onwards, the allowance shall be issued until June 30th of their graduation year.
