

Visitor Aloha Society of Hawai'i

Recognizing a void in the hospitality industry of

Hawai'i, the Rotary Club of Honolulu

started the Visitor Aloha Society

(VASH) in 1997. The initial intent

was to provide assistance to

travelers who were traumatized

by crime or other adversities while

visiting the Aloha state.

Through community partnerships with agencies, businesses, and foundations, VASH has grown into a strong organization dedicated to sharing aloha with all in need. Through VASH working with local police, government agencies, hospitals, and other hospitality services, visitors in crisis receive support and the essence of the Aloha Spirit despite their misfortune.
