If you have visited an infected country of an animal infectious disease within 14 days prior to entering Taiwan, then after entering Taiwan, you must change clothes, take a shower, and thoroughly disinfect yourself. In addition, you must wait at least 7 days before visiting a livestock farm.

For the sake of the safety of national agricultural and animal industry, please do not carry animals, plants and the related products with you to enter our territory at will. If it is necessary to carry them, please consult relevant quarantine regulations in advance and honestly declare quarantine to customs or the Bureau upon your entrance. As to those who are found and fail to make the declaration voluntarily, they will be fined over NTD3000.

Quarantine shall be declared for carrying the following articles
Plants or plant products is required for declaration:

1. Live plants (e.g., plant, seedling, fresh cut-flower, cut-branch, etc.), bog moss and other cultivation media.
2. Fresh vegetables (e.g., lettuce, peas, eggplant, yam, garlic sprout, garlic bulb, fresh mushroom, etc.).
3. Plant seeds (e.g., petai, broad bean, red bean, peanut, gingko, seed spice or traditional Chinese medicinal materials, etc.) and seed ball (e.g., daffodils, lily, hyacinth, etc.).
4. Other plant products (e.g., fresh medicinal herb, fresh ginseng and others) and spices (e.g., cinnamon, five spice granule, chilli, shallot, lemon leaf, citronella, etc.).
5. Wood (e.g., wood block, wood bar, wood plank, etc.).

Plant products prohibited to carry:

Fresh fruits(e.g., apple, peach, citrus, banana, mangosteen, rambutan, star apple, areca nut, chestnut, etc.) and soil.

Animals or animal products are required for declaration:

1. Dog, cat, rabbit (travellers are prohibited from carrying other live animals including insects).
2. Dried animal products (e.g., horn, bone, tooth, claw and hoof of animals, animal feather, hide, animal feed, etc.)
3. animal vaccine, animal serum, animal-based biologicals, etc.

Animal products prohibited to carry:

1. Meat (including fresh meat, cooked meat, frozen meat, chilled meat and, dried meat, etc.), and uncooked egg products.
2. Processed meat products(including those with vacuum packages): egg roll with dried meat floss, hot dog, sausage, ham, moon cake with meat, meat cake, preserved meat, jerked meat, dumpling with meat, Yanpi dumpling, duck gizzard (duck stomach), chicken wing, chicken feet, etc.
3. Cubilose (be mingled with blood, feather, feces and other dirt).

The aforementioned animals, plants and the related products, except those being prohibited, shall be attached with the animal or plant quarantine certificate according to regulations and shall not be released until passing the quarantine. As to matters otherwise specified by laws, please contact with the authority.
