On behalf of the Ministry of Health and Welfare of the Republic of China (Taiwan), I have the honor of inviting you to the **2020 Global Health Forum in Taiwan**, which will be held from October 23 to 24 in Taipei, Taiwan.

This year, the forum employs a hybrid format, augmenting the traditional event with a virtual component accessible online. The main theme this year is "Achieving SDGs in the Post-COVID-19 Era: Innovation, Inclusion and Partnership." Globally renowned experts will elaborate on such topics as resilience, humanity, and health-care challenges in the post-COVID-19 era.
