 2019 Smart City Summit & Expo The value of IoT is derived from the wide range of its applications. Its potential is further developed when these applications are utilized to improve our communities, and to the benefit of the society as a whole. Since the establishment of Smart City Summit & Expo (SCSE) 4 years ago, we, Taipei Computer Association (TCA), have been creating strong global networks for groups and individuals who share the vision on driving the upgrades of IoT technologies and smart cities. It has become the world's largest hub of experience-sharing and solutions platform for the Smart City industry. The scale this year has hit its record high no matter in terms of the number of exhibitors, booths, and overseas city delegations, buyers and visitors. • Venue:  • http://en.smartcity.org.tw/index.php/en-us/ • bettlyl@mail.tca.org.tw	March 26-29
